Journal of Capital Normal University (Natural Science Edition)

Introduction and Authorization

Title:
Submission date:
Main content and special requirements:
Fund project (please provide a copy of the approval document):
Unit review opinion: After verification, this paper does not have any academic misconduct such as untrue information, plagiarism of other people's academic achievements, multiple submissions of one manuscript, or other issues that violate relevant national laws and regulations. We agree to submit it to your journal. (Corresponding author) Signature: (Unit seal): Date:
Thesis Authorization: If the paper is published, in accordance with the relevant provisions of the Copyright Law of the People's Republic of China and its implementing regulations, and considering the creative labor paid by the editorial department of the *Journal of Capital Normal University* (*Natural Science Edition*) (hereinafter referred to as the "Journal Editorial Department") before the publication of the paper, the author agrees to transfer its compilation rights, distribution rights, reproduction rights, translation rights, information network dissemination rights, and other copyrights to the Journal Editorial Department from the date of publication of the paper. Allow the inclusion and use of domestic and foreign literature search systems and databases worldwide; Allow publication and use in various existing and future media, media, and other languages and scripts; Use in a manner that does not violate the laws and regulations of the People's Republic of China. After the publication of the paper, the editorial department of the Journal will pay the author a one-time remuneration, including the cost of transferring the copyright of the paper. The author promises that: (1) This paper is an original work of the author, **not generated by AI, has no intellectual property disputes, has not been submitted multiple times, does not involve any form of confidentiality obligations, has not improperly labeled fund projects, and has not been publicly published in any language at home or abroad**. (2) Without written permission from the editorial department of the Journal, this article may not be publicly published in any form or language both domestically and internationally. (3) Unless there are academic quality issues, this paper cannot be retracted. When it is necessary to withdraw the manuscript, all authors must submit a formal written

application to the editorial department and promise not to publish the paper or articles with similar content in other journals within one year.

The editorial department of the Journal agrees that from the date of publication of the paper, the author has the non-exclusive right to use it. When exercising this right, permission from the editorial department of the Journal should be obtained, but the format of the paper journal may not be used.

If either the editorial department of the Journal or the author violates the above agreement, they shall bear corresponding responsibilities in accordance with the relevant provisions of the Copyright Law of the People's Republic of China. The agreement regarding the author's other rights can be proposed by the author and determined through mutual consultation. This authorization letter shall come into effect from the date of acceptance of the paper and shall be valid for the same period as the protection period of the copyright of the paper.

If the paper is a professional work, please provide an explanation from the author and have this authorization letter jointly signed by the author's affiliation and the author.

If there is any dispute regarding any other matters not covered, both parties A and B will negotiate to resolve it; If the negotiation fails, a lawsuit shall be filed with the Haidian District People's Court of Beijing in accordance with relevant laws and regulations.

Regarding the handling of academic misconduct: For unpublished papers, if there is evidence of academic misconduct, the paper will be rejected. If academic misconduct is found in a published paper, the editorial department will withdraw the paper and issue a retraction statement, terminate the dissemination of the paper, inform all authors of the paper, and send an academic misconduct notification letter to the author's institution. **For those who engage in serious academic misconduct, the reasons for retraction will be explained on the journal's website.**
